

Opportunity for a Rotary Club meeting program on the Rotary 2012-13 Theme: "Peace through Service"

Rotary Peace Forum

Rotary Club of LaBelle and Intelligentsia International are offering your club the opportunity to host a Peace Forum presentation.

The term "peace" has become more complex in our modern economic, political and social international context. The presentation tries to define the term "peace." Magdalena Mirowska speaks about peace between nations and among people and explains the role of Rotary organization in peace-building.

"Peace through Service" is the 2012-2013 theme for Rotary International. Rotary President Sakuji Tanaka stated, "The advancement of international understanding, goodwill, and peace is one of the corner stones of the Rotary movement. With Rotary's active presence in more than 200 countries and geographical areas, this organization has established itself as a world leader in fostering Peace Through Service."

The presentation encourages reflection on the contemporary vision of peace, lets the listeners recall the days Soviet dominance of Poland and Eastern Europe, and discusses American and European perspectives. Finally the presentation reminds us of the importance of Rotary programs in fostering peace and international communication.
